Types of Projects: The Fund will support general health and wellbeing projects, activities and capital items that enhance the work of the NHS in County Durham and Darlington. This means that the Fund will not support the provision of core commissioned and statutory services but will support proposed expenditure that is additional to that which would normally be expected to be provided from revenue funded health and social care expenditure.

The non-exhaustive list below gives examples of some of the items that can be considered for funding:

- Equipment/Materials
- Office overheads
- Marketing/Publicity Room Hire
- Salaries
- Transport (not the purchase of)
- Volunteer costs
